

MAKING A GOOD
THING BETTER

The FLÖTER Adhesive Tape System

We have some tools in our hands so often, that we never stop to think about how they could be better.

More ergonomic, more comfortable to handle, safer and more economical! This is why the FLÖTER development team has thought about how even tried and tested packaging tools can be further improved.

The result is an adhesive tape system which you will never want to be without.

**60 % fewer
roll changes
thanks to 150 m/roll**

MAKING A GOOD
THING BETTER

The FLOETER Adhesive Tape System:

The Patented design has many advantages:

- More comfortable to hold
- Less force required to apply tape
- Nearly silent operation
- Perfectly balanced for easier application
- roll changes reduced by 60%
- Sets new safety standards

Starter Set:

Test the FLOETER adhesive tape system for a set price of

19,90 EUR

- 1 adhesive tape dispenser
- 6 matching rolls of clear adhesive tape

The system is delivered from our Schwieberdingen factory.
The price excludes VAT and shipping costs.
